

Supplier's Commitment to Corporate Social Responsibility

As the supplier of Dynamic Electronics Co., Ltd and/or its affiliates, we commit to comply with all applicable local laws and regulations while conducting business with Dynamic. In addition, we promise and guarantee:

1. Comply with the Integrity Policy and Conflict Minerals Policy of Dynamic.
2. Comply with the requirements set forth in the Electronic Industry Code of Conduct (EICC).
3. Pass ISO9001 QMS certification.
4. Set and maintain the operation of relevant systems according to ISO14001 EMS and OHSAS18001 OHSMS.
5. Comply with the international norms and regulations of no hazardous substances, such as ROHS, REACH, and Dynamic Green Product Management Practices.
6. Develop CSR policy, Integrity Policy and EHS&En policy etc., and drive the respective management systems into function.

We understand the requirements mentioned above and agree to continuously comply with the applicable requirements from now on and onward. We agree the right of Dynamic to conduct the audit to verify our performance of the foregoing commitment. We guarantee the authorized representative has been given the full authorization to sign this commitment on behalf of our company.
