

## Dynamic Conflict Minerals Policy

As a listed company in Taiwan, we are well aware of the impact to our society, environment, and customers from the products offered through the commercial activities. To take up corporate social responsibility, **Dynamic** hereby undertakes the following:

1. Any and all components and products supplied to customers shall not contain the metals from the Democratic Republic of the Congo (DRC) or any adjoining country, or the conflict areas controlled by unlawful armed groups. The conflict minerals include but not limit to the illegal mines in the conflict areas as well as the derivative metals, especially gold(Au), cobalt(Co), tantalum(Ta), tin(Sn) and tungsten(W).
2. **Dynamic** requires its supply chain to assure "conflict-free" for the metals mentioned above.
3. **Dynamic** is taking and will take due diligence to fulfill this commitment.
4. This commitment will not be terminated and will be updated to the latest requirements of the countries around the world.

**Dynamic Electronics Co. Ltd.**
